## 2008 Night For Life Body Positive

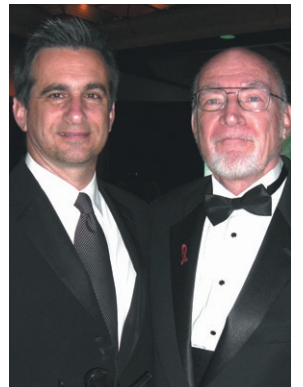

Night For Life 2008 was held at the Camelback Inn, and what a party it was! Honorary chairs **Lisa** and **Al Molina** have been involved with the group for many years and are passionate about the fight against HIV/AIDS. Al missed the party, but **Lisa Molina's** charm and effervescent energy sparkled as she greeted guests and thanked supporters. Chairs **Stephanie Heymann** and **J. David Smith** made this year's gala special in every way. **Pat McMahon** served as emcee and the entertainment was fabulous. Grammy-award winner **Richard Marx** performed, and the after-party featured **David Hernandez**. It was an evening of new beginnings, a time to reflect on the purpose of Body Positive, now called Southwest Center for HIV/AIDS. President and CEO **Carol Poor** said, "Arizona is home to the only HIV/AIDS service organization in the United States to combine research, prevention, education and wellness under one roof." Board chair **Mark Howard** said, "The face of HIV/AIDS is changing. This is not a disease that discriminates—it can affect anyone." Community leaders were honored for their contributions: **Carole** and **Bob Machiz** received the Outstanding Philanthropist Award; the Outstanding Achievement Award was given to **George MacDonald**; the Corporate Leadership Award went to **Melissa** and **Frank Leonesio** and O Premium Waters; Hon. **Neil Giuliano** received the Community Champion Award and **Martin H. Katz** was honored with the Lifetime Achievement Award. Guests gave hearty congratulations and toasts to the award recipients. Dinner was excellent and the room was beautiful; it was an important evening for the friends of Body Positive and truly one of new beginnings. Southwest Center for HIV/AIDS is dedicated to preventing this disease from spreading. **Tom Betz** and **Lisa Molina** will chair the 14th Annual Night For Life on Saturday, May 9, 2009 and invite you to join them for another very special evening. ■
