From Bags To Riches

Homeward Bound

Fashionable ladies gathered for the fifth anniversary of Homeward Bound's Old Bags Luncheon held at the Arizona Biltmore. Arizona founder of the event **Sherry Conquest** said, "We are fortunate to have wonderful, loyal friends and supporters returning once again. You are the fairy godmothers to Homeward Bound families, helping to make their hopes and dreams come true." The 2008 theme *From Rags to Riches* offered designer, vintage and celebrity handbags at the silent auction in the Gold Ballroom. Lunch *al fresco* was served on the Squaw Peak Terrace lawn where Neiman Marcus presented an elegant fashion show, and honorary chair **Sally Lehmann** was recognized for her service and leadership to Homeward Bound. Guests took home favors including a frog dessert plate, Venetian wine goblet and fabric gift bag. The fancy affair helps Homeward Bound provide social services to families with children who are homeless or fleeing domestic violence. ■
